"A meeting of the District Committee of the Communist Party of Northern California was held on Friday evening, May 20, 1960 in the offices of the People's World, San Francisco, with the following people present:

"MICKIE LIMA

BILLIE WACHTER

JIMMIE WOOD

IRVING FROMER

[REDACTED] (Marin County)

Woman, apparently from Marin County, about 55 years, 5'5", hair slightly gray, blue-gray eyes, heavy-set, about 200 pounds, medium complexion.

"MICKIE LIMA announced that he had received a telephone call from DOROTHY HEALY earlier in the week and she had just returned from a meeting of the National Executive Committee in New York over the week-end. MICKIE stated that she had stayed over on Monday for a discussion of developments at the Summit and he said a special California state-wide meeting would be held on the week-end to discuss policy. He asked that a special meeting of the District Committee be held to carry on discussion on this matter and the meeting was set for Saturday evening, May 28th at 7:00 PM in the People's World Offices.

"MICKIE LIMA then called on MERLE BROTSKY to report on the events around the Un-American Activities Committee hearings in San Francisco the week before. In his report he stated that, as soon as DOUG WACHTER received his subpoena, he rushed out of the house and went to work to get support from the students on the campus of the University of California. He stated that ARCHIE BROWN has

SF 100-11889

received invitations to speak at both UC and STANFORD. BROTSKY said he had been asked by some students to speak at the Oakland City College, but that the teachers had put on the pressure and the invitation had been withdrawn.

b6

"It was reported that [redacted] expelled Party member, had contacted MICKIE LIMA as soon as he had been subpoenaed, and they had met with MERIE BROTSKY and others and discussed his appearance before the committee. [redacted] had said he did not want to give any testimony that might discredit the Party and those present who had participated felt that he had done a good job on the witness stand.

"MICKIE LIMA stated during the discussion that the Party could take lessons from the students when it comes to organizing a demonstration.

"DOUG WACHTER reported that an organization of student defendants has been set and a University of California Faculty Committee has been set up to assist in their legal defense and to assist in raising funds to meet bail bond fees and legal fees. They expect to have a panel of advisory lawyers and [redacted] and [redacted] were mentioned as two who would probably serve.

"BILLIE WACHTER reported on the support the students are receiving from the Daily Californian, the UC student paper. They ran an editorial which challenged the legality of the committee and called on all the students to join the protest demonstration. They ran a story on ARCHIE BROWN's appearance and others who appeared which was sympthetic to the witnesses.

"GEORGE SANDY reported that he had been unable to get any one to assist him in selling the People's World among the demonstrators, so he had sold them himself. He stressed the point that he had sold all but about three copies of those he had with him. He said two or three people had told him they didn't have 10c, so he had given them a copy.

"LIMA stated that the District Board had met and prepared a statement (copy enclosed). He also stated that the Board felt they must deny any relationship to organizing the demonstration.

"The following proposals were adopted following the discussion:

- "1. The Party must support the arrested students in every way. A joint meeting of the Youth Commission and the District Board must be held to formulate plans for a more active program among youth.

- "2. Agreed to the mailing in the various areas, to persons who should know the Party's position, of the above mentioned Party statement and to the circulation of the People's World editorial, "From Blackmail to Blackjack". (copy enclosed)
- "3. Agreed to discussion in the East Bay and San Francisco County Committees of the possibility of again drawing back into the Party those who have left in the recent past, since many of them joined in the demonstrations in a sympathetic manner.
- "4. Voted to re-instate [redacted] in the Party. Also to approach AL LANNON and ask him to consider his position and the possibility of resuming the payment of dues.
- "5. That the District Board meet and consider the immediate developments around the Party and assess them for future development.
- "6. That MICKIE LIMA investigate the possibility of getting time on station KPFA for himself, to make a Party statement.
- "7. That the Peace Commission meet to clarify how the Party will move on the Peace issue. Meeting set for Wednesday, May 25, 1960.
- "8. That MICKIE LIMA write to all the Bay Area newspapers and that the letters be of the "letter to the editors" type.
- "9. That house meetings be held on Saturday evening, June 11th by those who have FM radios to hear the program which will be broadcast by KPFA on the hearings. It was suggested that some of those who were involved in the hearings could be had as speakers.

"This reporter feels that the following must be added:

"The attitude of the Communists present at this meeting has been changed from one of division and hopeless struggle to one of elation at a battle won, and of complete unity against a common enemy. They expect to make great gains in membership among the youth who participated in the demonstrations. They feel as though they have gained a certain status of legality and a great deal of prestige in the community, and they are again ready to move forward and take advantage of every opportunity.

"Since the Chairman of the Commission, JOE GRAHAM, and the co-ordinator, WALTER STACK, were not present, LULU MAE THOMPSON presided. The meeting was devoted to an informal discussion of the problems being faced by the AFL - CIO Agricultural Workers Organizing Committee in the area and to reports on their progress from those who are participating in the drive to organize.

"The question of finances for the Party co-ordinator was discussed and HASKELL SMITH reported that he thought he could get pledges of about \$50.00 a month and HOWARD KEYLOR said NEAL BUSBY had told him he would be willing to help, but he had not stated how much he could give. The money mentioned as a pledge from Santa Clara County at the last meeting of the Commission was not from BUSBY, as had been assumed. The group instructed LULU MAE THOMPSON to tell MICKIE LIMA of the funds pledged and to ask him how much time the area could expect the co-ordinator to give on this basis.

"[redacted] left the THOMPSONS at about 1:15 PM and went into Stockton to visit with NORMAN SMITH and [redacted] to see how they could help with the organizing drive in the Fresno area. They returned to the THOMPSON home at about 3:30 PM, after the others had gone. They had supper with the THOMPSONS and then they returned to Stockton to attend the rally held at the Civic Auditorium by the Agricultural Workers Organizing Committee.

"No date was set for a future meeting of the Commission. This will be done by JOE GRAHAM and LULU MAE THOMPSON at a later date.

"MERLE BROTSKY called the meeting to order at about 10:30 am and he announced that MICKIE LIMA had found it necessary to be out of town for a few days because his sister-in-law had passed away and that MICKIE had given him the material for the meeting. The only question to be discussed at this meeting was Party policy on the failure of the Summit meetings. BROTSKY stated that DOROTHY HEALY had attended a meeting of the National Executive Committee and had taken part in their discussions of this question and that she had then met with MICKIE and others to pass on the information. MERLE then read a mimeographed copy of a speech delivered to a group of New York Party functionaries and committee members on May 25th. This document dealt with the historical background leading up to the failure of the Summit. It will be mimeographed and sent out to be used by the Clubs as discussion material.

"The reading of this document was followed by a discussion period and it was during this time that IRVING FROMER reported on the Peace March and demonstration held

recently in San Francisco. The organizers had agreed that it was a success and they plan another demonstration on August 6, 1960, Hiroshima Day. They are planning a march from Livermore to San Francisco.

"The District Committee adopted a proposal that the District Board consider some form of petition or form post card mailing which will give the general public an easy way of expressing themselves on the question of peace. It was suggested that it be based on H-Day.

"It was also agreed that MICKIE LIMA should consult with the National Office on the possibility of issuing the GUS HALL speech in the form of a pamphlet, with the addition of some more historical background material. The issuing of a People's World supplement based on the same material will be discussed with the editorial staff.

"The Clubs are asked to work on a Peace program for their various areas, with the aim of strengthening the clubs.

"The problem of the National Conventions and the elections will be discussed by the Board and they will be asked to formulate an approach, with the main emphasis on how to influence the Democratic National Convention in the drive to draft STEVENSON.

"The District Committee will meet again on Friday evening, June 17th. ARCHIE BROWN said the Trade Union Commission is making plans for a Trade Union Conference and had planned a meeting for that night, but that they would meet on Thursday, the 16th.

"Report on the Communist Party  
Stockton, California  
June 18, 1960

"The District Committee of the Communist Party of Northern California held a meeting in the offices of the People's World on Friday evening, June 17, 1960 and the following people were present:

"MICKIE LIMA

BOB LINDSEY  
HOWARD THOMPSON (observer)

"Proceeding the meeting, LULU MAE THOMPSON talked to MICKIE LIMA and JOE GRAHAM about the Farm Workers Commission and what should be done concerning a co-ordinator, since WALTER STACK cannot spend much time on the work. LULU MAE told MICKIE that the Commission sees the possibility of raising about \$150.00 a month in pledges and MICKIE said this would help in the hiring of a full time person, which has been planned for some time. He said he has interviewed LEE KUTNICK and [redacted] for the position, but they both have family complications which would interfere with them taking the position. He said he has one other person in mind for the job but so far he has not had time to consult them.

"The meeting was opened with a report from BILL SCHNEIDERMAN on the Primary Elections and the results and his analysis of them. He also suggested several forms of activity for the Party to precede the fall elections and also the National Conventions. These were to assist in every way possible in the demonstration being planned by the Negro Labor organization on Civil Rights, contact the delegates to the National Conventions to urge Civil Rights planks in the platforms and esp- the Democrats on this issue and the draft STEVENSON campaign. Urge for peace planks and join in demonstrations for peace.

"It was agreed that MICKIE LIMA should draw up a statement, using BILL SCHNEIDERMAN's analysis as a basis, for study in the Clubs and general circulation among sympathetis groups. A memo will also be prepared for the Clubs listing all the proposals for action.

"DOUG WACHTER reported that he had just returned from Chicago where he had attended a Party Conference on Youth Work. He said there were some special guests who had been invited to attend who were not Party members, but it was essentially a Party Conference. He reported that a new youth publication, "New Horizons: will come out in September. It will not be advertised as such, but the editorial policy will be Marxist. He said that all youth are being urged to participate in the demonstrations which will precede the National Conventions. He did not report further on the conference, because it was getting quite late.

"A Trade Union Conference will be held in San Francisco on Friday evening, June 24, 1960 at 7:30 PM at 1250 Girard.

"The next meeting of the District Committee will be held on Saturday July 16, 1960 in the offices of the People's World at 10:00 AM.

"At the close of the meeting, MICKIE LIMA, JOE GRAHAM, ARCHIE BROWN and LULU MAE THOMPSON discussed the Farm Workers problems again and MICKIE, JOE and WALTER STACK will meet on Saturday, June 18th to set some meeting dates in the outlying areas.

[redacted] said that LILLIAN RANSOME did not come with him because she is working in the Marysville office of the Agricultural Workers Organizing Committee and they are conducting strikes in the Marysville area, so she felt that she should stay and help them.

b6

"The Commission Chairman, JOE GRAHAM, asked [redacted] and HOWARD KEYLOR to report on the organizing drive in their areas and following their reports there were questions and discussion. WALTER STACK said he will not be working during the coming week because of a plasterers strike, so he will go to Marysville on Monday and join the Agricultural Workers Union and in that way, get better acquainted with the problems facing the organizers. It was also decided to try to get some of the student youth from the Bay Area to join the union and go to work. This would be a way to combat the move which will probably be made by the growers to get young people to come in as strike breakers.

"Those present decided that the most crucial period in the organizing drive will be during the next four months and it will be vital for the Party to have a co-ordinator in the field, so the Commission will ask that someone be obtained to work for the four month period. Those suggested were [redacted] HOWARD KEYLOR, LILLIAN RANSOME or JOE GRAHAM. MICKIE LIMA will be asked to make the final decision. The Commission also decided that a sum of \$500.00 dollars a month must be raised to pay this person and the expenses and the following quotas were established: East Bay and San Francisco, \$100.00 a month each; San Joaquin County, \$70.00 a month; Fresno and Santa Clara Countys, \$50.00 each; and Lindsay, Sacramento, Marysville-Wheatland, Sonoma and Marin Ctys, \$25.00 each.

"HOWARD KEYLOR said he had gotten a promise of \$50.00 a month from [redacted] and he turned in \$60.00 he had already received from him.

"LULU MAE THOMPSON said she would make a trip to Lindsay and Fresno to let them know about their quotas.

"The date of September 17th for the conference on policy on import workers was confirmed.

"LULU MAE, Chairman, gave a report on the Executive Board meeting of the Northern District while waiting for MICKEY LIMA to arrive. She stated that the Peoples World subscriptions were dropping instead of increasing.

"One county"	had	290	subs	and	dropped	to	181	subs.	
"	"	"	513	subs	and	dropped	to	320	subs.
"	"	"	96	"	"	"	"	55	subs.
"	"	"	69	"	"	"	"	49	"
"	"	"	30	"	&	gained	to	48	subs.

"The reason suspected by the drop is the readers seem to think they will be listed as 'Reds' if they take the paper.

"There was supposed to be an increase & make the paper a 16 page by Labor Day but may be postponed for it will take \$6,000. to do it \_\_\_\_ raise the yearly quotas for each county. The Fund drive will close November 13, 1960.

"It was suggested that subscribers mail special interest columns for P.W. to be printed. There will be a students sub rate of \$2.00 from September to June. There will be 500 samples to send out.

"A subscription cancellation will be considered a new sub after two months cancellation.

"September 10, 1960 there will be a P.W. Conference & elections at the P.W. building in San Francisco, California.

"LULU MAE mentioned that the Northern District will try to raise \$50.00 for helping print a pamphlet, 'New Horizons' for Colleges and schools.

LA 100-1763

"MICKEY LIMA reported that fifteen students were recruited into the Communist Party that took part in the demonstration against the Un-American Committee in San Francisco.

"Sept. 17, 1960 there will be an enlarged Section Meeting of the Agriculture Workers."

"Preceding the regular meeting, MICKIE LIMA held a meeting on the third floor with JUANITA WHEELER, ROSCOE PROCTOR and ARCHIE BROWN. When MICKIE opened the regular meeting he stated that the main item on the agenda would be a discussion of the document (copy enclosed, "Statement of the N.E.C. on Election Policy", and the committee would conclude its meeting with a discussion of plans for the District Conference on the People's World and the Elections. Following the discussion, the District Committee voted to endorse the line of the statement. LIMA made it clear, that Party members, if they feared they might isolate themselves from their mass organizations, need not take the stand against KENNEDY. The Committee also decided to move on local issues and candidates wherever possible and to try to start a movement in support of Dr. LINUS PAULING before his appearance before the Congressional Committee.

"When it came to establishing a date for the P.W. and Elections Conference, MICKIE stated that the previous date set conflicted with vacations so those involved in planning thought it would be best to change. There was no discussion of dates, as such. A choice of dates was passed around on a piece of paper and then they were discussed as #1 and #2. When a date was mentioned, this was frowned upon and the statement was made that "we

would have to learn not to mention dates all over again". It was decided to hold the conference on Saturday September 17th and to postpone the scheduled District Committee meeting to October 1st and to still discuss Party Policy on the Import Workers at this meeting.

"Representation at the Conference on the 17th will be on the basis of one delegate for each four Club members and major portion and all District Committee members. Unless a change is made it will be held at:

San Francisco.

"At the close of the meeting, LULU MAE THOMPSON gave JOE GRAHAM \$100.00 which she had received for the Party for a co-ordinator for the farm workers commission. She had received \$25.00 from JIM BALLARD, \$15.00 from [redacted] and \$60.00 from HOWARD KEYLOR for [redacted]. MICKIE LIMA stated that it looked as though [redacted] would be doing this work in addition to his work on the paper. He said the paper is considering hiring DON WHEELING again and this would give STAPP more time for the farm workers.

September 20, 1960

On Saturday September 17, 1960 a conference of delegates from the CP Northern District of California was held at 3138 Grove St., Berkeley, Calif., which is East Gate Hall. The meeting was held on the third floor. Registration was to be at 9:30 but HERB NUGENT did not arrive to open door until 10 a.m. and meeting got under way at 11 a.m.

MICKEY LIMA opened meeting by proposing that someone from East Bay chair morning meeting and someone from San Francisco chair the afternoon meeting. MERLE BRODSKY elected to chair the morning session. STEVE MURDOC was elected sect.

LIMA then gave the main report of the No. Calif. District Board which included the reports of Legislation, Negro and Peace Work Commissions and deals with Party policy on the 1960 elections. LIMA says UN is about to reconvene and the heads of State of all the leading countries will be at the meeting to debate if there will be peace or war. EISENHOWER will speak to the UN on next Thursday and general discussion will be on disarming.

LIMA then talked about the two party system and NIXON-LODGE were no different from KENNEDY-JOHNSON and even the platforms offered little choice. He stated the Republicans were the party serving the interests of big business and while Democratic Party more known as the party of little man it also serves the interest of monopoly capital even though Negroes, farmers, labor usually support it. LIMA then read parts from the NE of the CP bulletin on the elections and stated there is no CP mandate to vote for the Democrats but we can't oppose the masses so we have to go along with what mass groups are doing.

LIMA stated the District had the following recommendations.

- 1) Members of Political Action Committees of Union and other organizations should participate actively in the election campaign around Congressional and Assembly candidates, propositions and election issues, if ties with membership and their position in organization requires it, participate in the general election campaign make their views on issues and criticism of candidates and platform known.

2) When there are candidates whose platforms can be supported, all out activity should be developed through established organization or the setting up of independent committees. 3) We will use the present situation to illustrate to forces with whom we associate the impossibility of "Labor and allies" continuing to accept the status quo without some independent form within the two party system. We must present the question of a Labor or Farmer Labor Party as a possible alternative for independent political action. 4) We must show more initiative in proposing various forms actively around issues particularly around Peace. 5) It is necessary that we present our position publicly in ways open to us. We will make appeal to radio and TV stations asking for time to present our views on the election. We will in our statements raise the need to make possible the doing away with restrictions of third party's in the state and the outlawing of the CP from the ballot.

b6  
b7C

After about a 10 minute recess a discussion was held on the report.

[redacted] proposed that the election be boycotted insofar as the Presidential office is concerned and that a write in campaign be held to write in MARTIN LUTHER KING or HARRY BRIDGES to show our protest. TOM MC PHERSON stated his club had agreed to work within organizations and not isolate ourselves. If we are in a Masonic Lodge doing our mass work then go along with endorsement and don't isolate ourselves as members looking toward good of CP wherever we work. ARCHIE BROWN stated the Trade Union Commission had put their work in writing and they went along with District Report and as far as presidential office go along with mass organizations. BILLIE WACHTER and SAUL WACHTER, AL RICHMOND, HERB NUGENT and almost everyone present supported LIMA except BILL SCHNEIDERMAN who did not speak on any subject.

[redacted] made a report on the PW stating that out of proceeds of last drive they paid off loans previously made to paper. [redacted] claimed they needed 250 new subscriptions by November 15th. [redacted] stated a series of articles on youth will be coming in near future. [redacted] also proposed the reestablishment of a Press Director for each club and visiting the ex-party and ex-PW subscribers to get new subscriptions and if members don't wish to contact turn in names and CP leadership will see that they are visited.

A white man named RUSSELL wearing thick glasses with poor eyesight was introduced as the Press Director and made a talk on getting new readers for the PW.

About 40 delegates were present which included MICKEY LIMA, MERLE BRODSKY, STEVE MURDOCK, LEE KUTNICK, who was afternoon chairman, ARCHIE BROWN, BILL SCHNEIDERMAN, AL RICHMOND, HERB NUGENT, Mrs. HERB NUGENT, BILLIE WACHTER, NORMAN (Negro 34 yrs. from San Jose), ROSCOE PROCTOR, Negro about 26 yrs. 5'11", 175 lbs., light complexion, TOM MC PHERSON, DAVE HIPOLITO from Richmond, Calif., area, TIM KELLY from Marin, JOE FIGUEIREDO, JIM WOODS, SAUL WACHTER, GEORGE SANDY, male delegate from Eureka resembled NOEL HARRIS, TOM HARPER, DARLENE CARROLL. \*

"Before the meeting opened, Russel [redacted] Kennedy were present and Howard and Lulu Mae Thompson talked to Russel. He gave them a news stand for the People's World to be placed in front of the Agricultural Workers Organizing Committee offices in Stockton.

"Someone stated that Mickie Lima had not yet returned from the East, so Archie Brown opened the meeting at about 10:30 AM. He asked Bob Lindsey to make a report to the group on the discussions which had been held previously by the Agricultural Workers Commission and the District Board on Party policy on the importation of Mexican Workers for agricultural labor. At the conclusion of his report he made the following proposals:

- "1. That Public Law #78 be amended to provide for open public hearings, with union participation, on setting wages and on the need in various areas for Mexican contract workers. In addition we ask for political action directed to the Department of Labor to prevent certification of contract workers without agreement of the union. We also ask that the unions in Mexico and America participate in the drawing up of the migratory labor agreement.

SF 100-1189

2. We support the policy of the Agricultural Workers Organizing Committee of protecting the rights of the Mexican contract workers on questions such as food, housing and wages. We urge that this policy be translated more into action and that the union in every geographical area seek close fraternal relations with the braceros. We further urge the Union to organize the Braceros to take joint and parallel actions and economic questions.

"The district Committee will meet again on Friday evening, October 21, 1960.

"The Agricultural Workers Commission decided to hold a meeting on Sunday, October 30, 1960 at the Howard Thompson home.

"Merle Brotsky and Steve Murdock were chosen as Chairman and Secretary, respectively, for the morning session and Mickie Lima made a report on the elections as judged by the National Executive Committee and the District Board. He stressed the effect of the meeting of the United Nations on the elections. He proposed that all Party members take an active part in the campaign through the Unions and Democratic Clubs, etc., but unless not working for Kennedy will isolate them, they should work for local candidates where possible and push the issues. He stated that it is important to bring forth the idea of a third Party at every opportunity and that all Party members should emphasie peace and youth in their campaigning. He also stated that the Party is going to make an effort to get radio and TV time to express their views on the election. At the close of the United Nations meetings, the National Office will issue a pamphlet on peace and will soon release a Party Platform as a matter for mailing and also for general distribution. Lima announced that a public demonstration will be conducted by the peace groups in the Bay Area on October 29th,

to pressure the candidates on this issue. He requested that all Clubs in the Bay Area plan to participate in the demonstrations at Woolworth's and Kresses. He announced that weekly mobilizations of District and County leaders will be held during the subscription drive for the People's World.

"After a break for lunch, which was served in the hall, Lee Kutnick was elected as the chairman for the afternoon. There was more discussion of Lima's report and then George Sandy reported on the paper and the reasons back of the circulation drive. He stated that \$45,000 of the papers indebtedness has been paid off and that there has been an increase in circulation recently. He stated that there will have to be a further increase before the paper can enlarge to the planned 16 pages and another person will have to be added to the staff. He concluded his report with the following suggestions for the drive:

- "1. That Northern California accept a quota of 250 new subs, which would be approximately 1 subscription per member. November 15, 1960, will close the drive.
2. That, where possible, Clubs try to re-establish bundles.
3. The paper will feature youth items, starting October 13th and will advertise in all the college papers possible, offering a special rate of 2.00 for a subscription running thru Mid-June.
4. Clubs are asked to make promotional mailings of the paper and will be allowed the use of the papers special mailing permit where feasible.
5. The post of press director should be revived in the Clubs.
6. County Press Committees should be re-established.

"A brief report was made by Russel Kennedy, the new Press Director for the District.

"The main report made by Mickie Lima will be prepared for general distribution. It was also voted to send a telegram of greetings to a similar conference which is to be held in Seattle on the next week end.

"Preceding the meeting, Joe Graham told Lulu Mae Thompson that [ ] had refused to take the position of co-ordinator for the Ag Workers Commission, and Graham said that he is still unemployed so he might take the responsibility on a part time basis.

"At the close of the meeting, Lima told Lulu Mae Thompson that he would make a carbon copy of his report when he is preparing it for mimeographing or printing and that he will mail it to her so she can make a trip to Fresno and Lindsay and report to them.

Meeting opened with ARCHIE BROWN acting as chairman and reading the agenda for the day, stating that the main purpose of this district meeting was to have the agricultural report, and then there was going to be an announcement on the PW. That was all on the agenda.

Comrade BOB gave a lengthy report on what has been taking place in the agricultural area of California. He pointed out that the agricultural work was one of the largest unions in the State and therefore the greatest amount of resistance was being exercised by these union people in regards to the farm workers herein California.

He stated that no one has tried to estimate the number of Mexican workers that come into California. They come in by the hundreds. He pointed out that workers of Asian descent have been attacked by labor. BOB stated that the biggest

District Meeting at the PW  
10/1/60

offense against workers has been with the braceros. He pointed out that there were many reasons for the farm business taking advantage of the Mexicans. Reasons among which are the fact that they do not speak English and there is a language barrier, that conditions in that country are poor for working and therefore bring them into this country and work them for little or nothing so this makes it difficult to organize these Mexican workers and also makes it difficult for the farm laborers to make their demands for their wages. BOB pointed out that there was an incident where a rancher brought in some of these braceros and then because the tomatoes were not ripe had decided not to feed them because he could not work them. In rebelling to this attitude and the fact that these men were hungry some of them left the ranch and starting walking toward Sacramento to the union office to protest this kind of treatment.

As a result they took the men in, gave them food to eat, a place to clean up and rest for the night and union officials went back to the ranch with them to eliminate this terrible condition. He pointed out that there are many such conditions existing throughout the State in regards to the braceros. The labor farmers are not supposed to braceros coming into the country, however, they are against the conditions under which these men are subjected and also under which they have to work and the fact that it makes it so difficult to demand a higher wage for the work that they do.

There were two proposals submitted by the committee on agricultural work and the first one is as follows: we propose that Public Law 78 be amended to provide for open public hearing with the union's participation on the setting up of wages and on the need in various areas for Mexican contract workers. In addition we asked for political action directed to the Department of Labor for the certification of these needs for Mexican contract workers without the agreement of the union.

The second is we support the policy of the AWOC of protecting the right of the bracero on different subjects as food, house and wages. We urge that this policy be translated more into action and the agreement in heavy geographic areas

District Meeting at the PW  
10/1/60

seek cause fraternal relations with the braceros. We further urge that the union organize the braceros to take parallel and joint action on economic questions.

Following this lengthy report the floor was open for discussion.

"Keylor reported that the papers are being taken from the street rack for the People's World, but they are not being paid for by most people, but after discussion it was decided to continue this rack and ask the paper for another to put downtown near a bus stop. "November 25, 1960

"Report on a meeting of the Northern California CP District Committee for outlying counties held Saturday, November 12, 1960, at 6115 Dover Street, Oakland, California.

"The following were present:

b6  
b7C  
b7D

[REDACTED]  
HOWARD THOMPSON  
LULU MAE THOMPSON  
JOE GRAHAM

"When I arrived at this meeting HELEN LIMA [REDACTED] and LULU MAE were present. HELEN said that MICKEY was out of town for a couple of weeks and that JOE would conduct this meeting. While we were waiting for JOE to arrive there was a general discussion and I gathered from HOWARD's comments that he had been in the party for many years. He indicated that he had some kind of heart condition.

"JOE arrived at about 10:30 a.m. and was surprised to find out that MICKEY LIMA was not present for this meeting. He was quite upset when he found out he was to conduct this meeting and said that we should criticize MICKEY for not informing us that he would be absent. He said we should have a discussion on the PW and the agricultural program.

"Regarding the PW, JOE stated that in Santa Clara we have set up street racks and we are selling 25 papers weekly from these racks. He suggested that this be tried in San Mateo County and throughout the various towns in the valley. He said the PW will furnish the racks and mail the papers to us. These racks should be serviced at night. MANN asked if a permit was necessary to place racks in the street. JOE stated that if other papers have racks on the streets then we can place ours there also without a permit. He said if any questions arise concerning this have the complainant gripe to the PW Office. There was no official report made regarding the PW.

"JOE asked if any of us had turned in money regarding the expenses of the two party people who have gone back to the National Committee School in the East. He said that \$1000 is needed for their expenses. [REDACTED] stated that this is the first

SF 100-11889

time he had heard anything about this matter. JOE asked [ ] to explain it.

b6  
b7C

[ ] said that the National Committee was holding a three week school back east and that the Northern California CP District was entitled to send two persons. ROSCOE from the east bay and JUANITA WHEELER from the PW have been selected as we wanted to send a male and female. The National Committee is paying 75% of their transportation fare. The expenses while there and their family expenses during their absence is the responsibility of the district here. She said each county has been asked to help. [ ] and LULU MAE turned in money to JOE for this matter. (The amount I do not know). JOE turned this money over to HELEN LIMA.

"JOE then went into a discussion regarding the agricultural program. He said several months ago it was decided to hire a full time person to work on the agricultural commission on a full time basis during the months of June, July and August, 1961. The main purpose of this job is to coordinate the party people with the valley workers. The expense for this individual will be high due to the extended travelling involved. Up to date we have collected \$250 on this project. He suggested that we hold socials in order to raise money for this matter. He said that we should have interesting speakers at these socials and suggested LILLIAN RANSOME as a good speaker for this type of thing. During the conversation regarding LILLIAN, the name Wheatville was mentioned but I do not know if that is where she lives or what.

"JOE then made a report on the agricultural conference held in Santa Cruz which he attended. He said this conference was sponsored by representatives from the federal, state, various unions and county health departments. He said the conference discussed problems on housing, medical, education, employment and wages. The conference broke up into various panels. JOE said that he attended this conference but did not register. He said the party should use a conference such as this for educational purposes. He then went back to a discussion on the various socials which are to be held to raise funds.

SF 100-11889  
HKW:dd

He said the first one will be held in Marin County. [ ] asked if it was alright if she asked LILLIAN to appear as a speaker at their affair. She indicated that LILLIAN had stayed at her home in Marin County during the HCUA hearings in San Francisco. JOE gave [ ] the address of a person to contact for this arrangement.

b6  
b7c

"There was a general discussion on JOE's comments. JOE asked [ ] how would San Mateo react and will they participate in this agricultural project. [ ] stated that if it is presented as a one point item, as it has been done here, then he does not feel San Mateo County will go for it. [ ] stated that if it can be worked into our program then he thinks San Mateo County will accept it. [ ] commented that had MICKEY been present today then JOE would not have been able to discuss his particular topic of agriculture for more than an hour or so. To this JOE agreed. [ ] stated he would find out what the feeling of the San Mateo County is on this matter.

"LULU MAE said she thought the agriculture commission should make plans for aspring campaign. She indicated several persons names had been mentioned for this job. Among those included JOE's. He declined to accept this. JOE commented that as chairman of the agricultural commission he would like to call a meeting to discuss these various problems. A meeting date of 1/29 at the home of HOWARD THOMPSON was set. JOE told MANN that if he or any of his group wanted to attend this meeting in January, 1960 that he should contact WALTER STACK at San Francisco and WALTER will arrange the necessary transportation.

"We then had a general discussion on various subjects. During a conversation with JOE he indicated he had just taken a job with an ornamental metal shop in Santa Clara. He said he was interested in contacting progressive steel workers in San Mateo County and asked [ ] if he knew of any. [ ] stated that he recalls one POWELL years ago who was a steel worker. JOE indicated that he is interested in getting resolutions concerning the agricultural workers introduced through the Steel Workers Unions.

SF 100-11889

"The meeting adjourned at approximately 12:15 p.m.  
and no meeting date was set for December.

"A report was made by ARCHIE BROWN on the work being done in the Bay Area to get support from their congressmen for JAMES ROOSEVELT in his effort to abolish the Un-American Activities Committee. ARCHIE stated that up to this time, Labor has not taken any active part in the drive and he urged that all Party members put forth an effort in their respective Unions to get behind this move.

"BROWN stated that the District Board has had some discussion of areas of work for the Party in Northern California and that they are going to recommend that the membership should concentrate on Peace and the move to abolish the Un-American Committee.

"Those present then discussed some of the problems facing the Trade Union Commission on how it should function and on what issues and then how to see that decisions are carried down to the Clubs and acted upon. ARCHIE suggested that a pamphlet on Socialism directed to the Union Member should be prepared by the Commission. No definite plans were made at this meeting.

There was some discussion of the possibility of putting racks out in the various areas.

"The next item discussed was the organizing drive among agricultural workers, and LULU MAE THOMPSON reported that a meeting of the Agricultural

"JOE GRAHAM

HASKELL AND NADINE SMITH  
BARNEY DE VETO

"Since there were so few members of the Commission present, the Chairman, JOE GRAHAM, suggested an informal discussion of the question of what to do about a co-ordinator for Party work during the coming year. GRAHAM suggested that, since it had been impossible to get some one to the job, a system be tried of having several persons responsible. The THOMPSONs suggested that they thought LILLIAN RANSOME might still be persuaded to do this work and the others agreed and GRAHAM said he would talk to MICKIE LIMA and see if MICKIE would approach LILLIAN on the question.

"In reviewing progress of the organization drive, THOMPSON asked if the Farm Reporter and their organization is giving the Party any support in their efforts. GRAHAM said they are not helping directly, but that they carry some information and are trying to influence the small farmer to back the union movement.

"The next meeting of the Commission will be held on the 26th of February at the THOMPSON home.

"GRAHAM told LULU MAE THOMPSON that MICKIE LIMA had suggested that the Outlying Counties meetings which was scheduled for February 11th be called off this time."

"JOE GRAHAM chaired the meeting.

"First on the agenda was to discuss the election of a co-ordinator. A co-ordinator would have the responsibility of visiting each county of the Northern Section and find out each counties problems due to farm labor, then there would be a main meeting where each representative from each county would attend and try to solve these problems.

"The co-ordinator would have to have quite a bit of spare time so he or she could spend some time in each county. The group thought LILLIAN RANSOM would be the right person if she would accept the job. LILLIAN has had experience in the Yuba County AWOC strikes. It was decided that MICKEY LIMA should contact her.

"JOE GRAHAM said a co-ordinator should get at least \$450.00 a month for their expenses. He said there should be a party member in each county and possibly a coordinator could get their room and board donated.

"JOE GRAHAM asked of ways to raise this \$450.00. [REDACTED] suggested each club set up a 'dollar a month club' for each member give one dollar a month to support a co-ordinator. JOE said that was a good idea and would bring it up the next meeting (February 26, 1961. There is \$250.00 collected at this time for this purpose."

The informant's report is set forth below  
verbatim:

"Time: [ ]  
Place: [ ]

Activity: Mickey Lima's talk  
on trip to the  
Soviet Union

Date Written: [ ]

"On [ ] evening) a talk was given by Mickey Lima. The evening was priviously social. [ ] sang some Russian songs and refreshments were served and [ ] sang, also. It was rather late in the evening before Mickey talked. Mickey was in a very jocular mood and seemed sustained all evening by an inner conviction and assurance that gave him bouyancy. (His mood expressed more than his words!)

"His talk was quite superficial, dwelling on the light side a good deal, and the only serious references to conditions under socialism were: 'It seems to work' and he mentioned that the work week is being cut in the Soviet and production there will soon surpass the United States. He said that there are many more doctors, engineers and technicians there. He spoke also of the 'democratic' Germany being ahead of every country in chemicals.

"Mickey said that he would be available to talk before small groups. He mentioned that the gathering that evening was too large for answering questions.

"This meeting was called so that Roscoe Proctor could discuss the Easter Week Peace demonstrations with the Party members in this area and also tell them about the Party school he recently attended and the series of educational activities which are planned in the Northern California District.

"As a result of the discussions it was decided that [redacted] should contact the American Friends Service Committee in Visalia and ascertain what plans were being made in the Tulare County area and if no plans were being made he should try to encourage them to take an interest in the projects already planned in the Bay Area.

"In Fresno, [redacted] agreed to contact "Viola", who is Chairman of the Fresno County People's World Committee, but who is not a Party member and ask her if she could not get the Unitarian Church in Fresno interested in doing something for peace around Easter Week.

"Following these discussions, Lulu Mae Thompson reported on the last District Committee meeting and Mickie Lima's report on the 81-Party Conference. She also announced that Mickie Lima will attend the next meeting of the Sacramento-San Joaquin Valley Section and that he had asked that it be an enlarged meeting so he could reach as many Party members as possible with his information report on the 81 Party Conference. Roscoe Proctor then said this would be very interesting because Mickie had had the opportunity of attending the Conference. [redacted] said something about the fact that Mickie had told the newspapers that he had not attended the Conference and Roscoe smiled and said that "we were not supposed to be there, so what else could Mickie say?"

"When the Thompsons and Roscoe and his daughter, [redacted] returned to the Thompson home at about 9:30 PM, Lulu Mae Thompson called Howard Keylor and he came to the Thompsons and talked to Roscoe about the Stockton Peace Committee and it was decided that he should try to get the Stockton group to either participate more in

LILLIAN RANSOME  
BARNEY DE VETO  
HOWARD THOMPSON  
LULU MAE THOMPSON

"The Commission Chairman JOE GRAHAM presided and he asked LILLIAN RANSOME to make a report on her trip to Imperial Valley. This report and the discussion that followed were the main points on the agenda for the day.

b6  
b7c

"LILLIAN reported that she had had a good trip to Imperial Valley and while she was there she had seen [redacted]

[redacted] She also saw many of the Union leaders. She stated that she had a meeting with KRAINOCK and he had intimated that he and SMITH were not in complete agreement on organizing policy and also that the AFL-CIO might not continue their support of the organizing effort. KRAINOCK said he has worked too long for the organization to see it sacrificed and he asked LILLIAN what kind of support she could count on from the Union members in her area. He also asked her to make a call on someone in the Lindsay area for him.

"LILLIAN also reported that she has a large group of rank and file members in the Marysville area that she can call on for support. She also said she is now keeping the Union office in Marysville open on a voluntary basis, since she has not been on the Union payroll since November 28, 1960. She asked the advice of the commission on what her future procedure should be. After discussion, it was decided that, at the next meeting of the Union in Marysville, BARNEY and LILLIAN should try to influence the Union members to appoint a committee to meet with NORMAN SMITH when he returns from Washington, to try to get him to authorize them to keep the Marysville office open full time from now on and to put LILLIAN back on the payroll in charge of

SF 100-11889

the office. They should also try to get SMITH to give her the authority to negotiate contracts with some of the growers, since she has information that some of them are willing to sign with the Union.

"As the result of the discussion it was decided that LULU MAE THOMPSON and LILLIAN should make a trip to Fresno on March 23rd to meet with HASKELL and [ ] SMITH and discuss with them ways of working in the AWOC in Fresno, since DEWITT TANNEHILL has been transferred there by the AWOC, and LILLIAN is familiar with his attitudes and ideas.

b6

"JOE GRAHAM said he will make an effort to come to Stockton on either the 20th or 21st of March to meet with the THOMPSON's and HOWARD KEYLOR to work out methods of working with the Union.

"Report on the Communist Party  
Stockton, California  
March 21, 1961

"A meeting of the District Committee of the Communist Party of Northern California was held in the offices of the People's World on Saturday, March 18, 1961 and the following people were present:

MICKIE LIMA  
ROSCOE PROCTOR  
JUANITA WHEELER

BARNEY DE VETO

LILLIAN RANSOME

"MICKIE LIMA opened the meeting and stated that he was going to make a report on the meeting of the National Executive Committee. He stated that ELIZABETH GURLEY FLYNN had been elected as Chairman of the Party and that she will be in the Northern California District from March 29, 1961 to to April 16, 1961. He said the Board hopes to plan some kind of reception for her, possibly open to the public on April 2nd. She will appear in

SF 100-11889  
RFS:mal

Los Angeles on April 30th for a May Day meeting and the District Committee decided to hold a May Day meeting in San Francisco on Saturday April 29th and it will probably be held at 150 Golden Gate.

"MICKIE stated that the National Executive Committee examined the work of the National Center and found that, since the death of DENNISS and the conviction of LUMER and the fact that he will soon be sent to prison, the old form of the Secretariat will no longer function to the highest degree. It was decided to elect a resident board of ten to handle the office between meetings of the Executive Board which will meet ever 6 to 8 weeks. The only persons he mentioned as being a part of this resident board were ELIZABETH GURLEY FLYNN, who was elected National Chairman, and CLARENCE HATHAWAY.

"Following MICKIE's report and discussion on the report, the following proposals were adopted:

"1. That the Party in Northern California pick out certain portions of the program on unemployment in the leaflet gotten out by the Daily Worker to stress. Those singled out were: the 30 hour week, unemployment benefits based on 2/3 of wages and for full term of unemployment. Added to this were: extended unemployment to students just entering the labor market, work for change in the welfare law or rule that denies help to any family with an ablebodied worker in the family, extended unemployment to agricultural workers and to push for trade with Red China.

"2. Push to get the unions to take responsibility for the unemployed and to push wherever possible to seek additional forms of organization for the unorganized.

"3. Support for the KENNEDY program where it is of interest to the welfare of the worker, such as medical insurance, etc.

SF 100-11889  
RFS:mal

"4. Support state and National or area work programs, especially in chronic areas and agitate for union pay.

"5. Propagandize for Socialism.

"Joe Graham, the Commission Chairman, phoned at about 10:00 am and said that he would not be able to attend because something had come up about 'his case' and he would have to stay home to attend to it.

"The meeting took the form of an informal discussion of the progress of the organizing drive of the AWOC and also the developments that might be expected as a result of the Teamsters entering into the organizing effort. Stack stated that he had gotten the impression from [redacted] that the AFL-CIO group of organizers might 'sell out' to the Teamsters.

"As a result of the discussion it was decided that Mickie Lima should request Joe Graham to take a trip into the Salinas area and see what information he can get on the Teamsters efforts, and to see if either Joe or John Stapp can get a copy of the contract the Teamsters sign with the lettuce growers.

"The next meeting of the Commission will be held on Saturday afternoon, June 10, 1961 after the outlying counties meeting. Mickie stated that he will find a place to hold the meeting and that every one can come to his place to get the address.

"Mickie Will make an effort to have the youth and Students who are interested the organizing of farm workers present at this meeting.

"Lillish and Mickie, at her request, haeld a private meeting on the back porch and she was heard mentioning the names of Krainock and Smith and Tannehill, but that was all that could be heard.

Marriage performed by Municipal Judge Daniel R. Schoemaker on 6/22/43 with witnesses shown as [REDACTED]

[REDACTED] San Francisco.

The records of the County Clerk's Office San Francisco reflects that there is a civil file #383417 showing a divorce complaint with [REDACTED] Plaintiff vs HOWARD O. THOMPSON, defendant. The complaint was filed 1/21/49 by Attorney [REDACTED] [REDACTED] San Francisco. The complaint alleges that the Plaintiff and Defendant separated on 1/3/49, and merely alleges as a cause of action the simple statement that the plaintiff was caused to suffer "grievous mental and physical suffering caused by the defendant." There are no specifics in the complaint as to the mental and physical acts; these would only be found in the reporter's transcript, which at this date have been destroyed. An interlocutory decree was issued in favor of the plaintiff on 2/4/49 by Superior Judge FRANK T. DEASEY. A Final Decree was issued by the same Judge on 2/17/50, with the only notation that plaintiff had the right to be restored to her maiden name.

"The Keylor stated that they are assisting in making plans for a folk song concert for the benefit of the Pete Seeger Defense Fund. A committee called Friends of Pete Seeger has been formed, with one of the Shurr girls as Chairman and Evangeline Keylor as Secretary. Some of the entertainers at the concert at the Anderson Y on June 9, 1961, will be Jean Redpath, Fred Gies and Malvina Reynolds.

"Keylor said that a political party has been organized on the Campus at the University of the Pacific. They have taken the name of CASE, but he did not know just what this stands for. The main membership seems to be from the Anderson Y.

"After the Club meeting had been adjourned, Keylor remarked that he knows a Stockton girl about 16 years of age who would like to become a member of the Peace Corp, but he did not mention her name. He said she is not sure she can get her parents permission.

"The Club will meet again at the Thompson home on Friday evening, June 16, 1961.

"The NOTHERN CALIFORNIA DISTRICT COMMITTEE of the Communist Party met on Friday, June 30, 1961 at the P.W. office at 8:15 P.M. The meeting was called to order by the Chairman, MICKEY LIMA. There were approximately 18 people present of whom were the following:

"MICKEY gave a report based on the results of the National Committee Meeting and the Executive Committee of the District Committee of Northern California, around the issue of the defense of the Party, the job that faces the Party in this matter, the time the Party has to work on this defense, etc.

"MICKEY also spoke of the speech made by BEN MARGOLIS in Los Angeles who was emphatic in his belief that individual members of the organization will have protection under the 5th Amendment. He also stated that the first order of business placed on the agenda in Southern California is that of securing the paper.

"MICKEY stated that because of the extension given us by the Supreme Court the Party Conference originally scheduled for August can now be held in September; that we can expect some kind of action to be takened

by the Supreme Court when it convenes in October; that everything must be done between now and then to make the people of America realize the danger to freedom of speech and thought if the Party is forced to comply with this new order. He also stated that we must make use of Black's Dissent and that the plan is to have it printed and into the hands of the Counties for distribution soon. It was also felt that someone should take Warren's Dissent and study it and rewrite it from its' legal form into terms that the people can understand. He said there was a good deal of value in it in favor of the Party. This should be played up in this fight for survival, especially in California.

"MICKEY spoke on the issue of Archie BROWN and the Landrum-Griffin bill. There is some thinking that ARCHIE should be run on the Ballot as a candidate for the Board of Supervisors. This is all in line with the fight for survival of the Party.

"A mass meeting is being planned by the CITIZENS COMMITTEE FOR CONSTITUTIONAL LIBERTY in which APTHEKER will be the principal speaker. The meetings are scheduled for July 21, East Bay and July 22, San Francisco. The meetings are being sponsored to bring together the entire Left.

"The District Committee voted to assume the responsibility of raising \$2500 for the P.W. Fund Drive by the 16th of July.

"\_\_\_\_\_ WACHTER asked that the District Committee reimburse him \$50 which was used by the PYOC to send representatives to some kind of conference. This is some type of Youth Organization.

"A discussion followed the Report by Mickey in which various members expressed their agreement with the decision to fight back during the grace period given the Party by the 'powers that be'.

"The meeting adjourned around 10:45.

"Report on the Communist Party  
Stockton, California  
July 3, 1961

"On Friday evening, June 30, 1961, the District Committee of the Communist Party of Northern California held a meeting in the offices of the People's World in San Francisco and the following people attended:

"Mickie Lima

"Mickie Lima opened the meeting and stated that this meeting was in place of the one which had been scheduled for Saturday, June 24, 1961 and had been post-poned. Mickie then reported on the situation in regards to the Supreme Court decisions. He stated that he had not attended the meeting of the National Executive Committee which had been held the week-end before, but that Dorothy Healey had been there and had reported to him. He said

SF 100-11889

RFS:jew

the situation was about the same as had been reported to the Outlying Counties meeting and to various meetings in the Bay Area. He stated that the question had been raised as to whether the Party would gain anything by dissolving and it had been discussed, but the decision was unanimous against this move.

"He stated that the National Conference on Civil Rights which had been scheduled for the first week in August has been moved over to September, and will probably be preceded by local area conferences. The Party is going to proceed on the basis that the October decision of the Court will be adverse and they are going to conduct a broad educational campaign and mobilize a broad protest.

"A District Defense Committee has been set up and they are raising \$500.00 to pay their expenses until the People's World Fund Drive is over and then an intensive fund raising drive will be launched. Aptheker will be in the area on July 21, 22, and 23. Meetings will be held in Berkeley on the 21st and in San Francisco on the 22nd. Tickets will be sold for \$1.00 and .25 for students and unemployed. Money will go to the Defense Fund.

"It was agreed to try to complete the People's World Fund Drive by the end of July.

"Mickie stated that plans will be discussed in the District Board on the campaign to run Archie Brown for the San Francisco County Board of Supervisors. He stated that Archie has discussed this with the leaders of his Union and they do not object to his running. He will run as an independent candidate and his campaign must involve many people.

"The center that is being organized is not going to be too broad because they do not want to interfere with any other groups which might want to come to the defense of the Party on their own, but this center will be able to provide defense if arrests are made.

SF 100-11889  
RFS:jew

"Someone is working on an analysis of Chief Justice Warren's dissent in order to rewrite it in 'layman's language.'

"Mickie requested that all the Party commissions discuss how the decisions will affect their work and propose what they would like to see issued in the way of literature.

"Doug Wachter reported that a delegate had been sent to a convention of the PYLC (the Marxist youth organization) and he had loaned some money to help pay expenses. He stated that this was money that he needs to pay his school expenses and he asked the District to pledge \$50.00 to help pay him back. The various areas pledged (or payed) toward this sum. The Thompson's gave him \$5.00 toward the fund.

"The next meeting of the District Committee will be held on July 15, 1961.

"Preceding the meeting, Don Thayer told the Thompson's that he is leaving on July 8, 1961 for a trip to East Germany as a guest of the East German government. He stated that he had received the invitation because he was a member of the Lincoln Brigade. He stated that he will stay as long as they will let him.

"Report on the Communist Party  
Stockton, California  
July 12, 1961

"The Agricultural Workers Commission of the Communist Party of Northern California held a meeting at the HOWARD THOMPSON home on Sunday, July 9, 1961 and the following people were present:

"MICKIE LIMA

LILLIAN RANSOME

"The Commission chairman, JOE GRAHAM, opened the meeting and he proposed that reports from the areas represented be heard and then that a general discussion of the situation developing as a result of the AFL-CIO dropping the organizing drive. After the discussion, some conclusion on Party policy on the future of the organizing drive was to be developed.

"LILLIAM RANSOME reported that she had received a letter from LOU KRAINOCK after the AFL-CIO dropped the drive and she read it to those present. KRAINOCK stated in the letter that the Union had signed up nearer to 17,000 members that the figure of 3000 quoted in the newspaper accounts recently.

"STACK commented that he felt that Party members are being too hesitant about accepting offices in their Unions. He said that the Landrum Griffen Bill is very specific about what offices cannot be held. He said that, according to the constitution of his Union, a delegate to Building Trades Council is an officer, but this is not one of the offices specified by the law as he understands it. He, STACK, is a delegate to the Council from his union.

RFS:DAS  
SF 100-11889

"KEYLOR said that he has been seeing DELMER BERG and through him has met with a group of agricultural workers in Stanislaus County. This group have organized outside the Union and plan on continuing to meet and will be ready to go in with any other union taking up the organizing drive. This group, according to KEYLOR had discussed the possibility of KEYLOR's making it possible for them to meet with other such groups in the Valley. KEYLOR then proposed that LILLIAN organize her followers into such a loose organization and then maybe they could arrange a meeting with some of those from Stanislaus County.

"It was the unanimous opinion of the Commission that every effort should be made to hold the organized union members together and that the Party should go along with whatever union decides to take over the organizing drive.

"The next meeting of the Commission will be held at the THOMPSON home on Sunday, August 13th."

"August 30, 1961  
San Francisco, California

"On August 18, 1961 the Northern California District Committee of the Communist Party met at 8:00 P.M. at the home of MICKEY LIMA, 6115 Dover, Oakland, California with the following persons present:

"MICKEY LIMA	LEE KUTNICK
HERB NUGENT	VENUS THOMPSON
WALTER STACK	LULU MAE THOMPSON AND her husband
ARCHIE BROWN	JOHNSON (Ketty's husband)
ROSCOE PROCTOR and his	BILLIE WACHTER
wife	
RALPH IZZARD	SAUL WACHTER
JOE FIGUEROA	DOUGLAS WACHTER
JOE MORRIS	
JUANITA WHEELER	

"The meeting opened with MICKEY reading the agenda which consisted of his report from the National Committee Meeting and ROSCOE'S report on the Defense of the Party from the National Committee meeting; P.W. Picnic at the Hallinan's on Labor Day.

"MICKEY gave a long report on the task before the Party today; the National Convention to be held in September in the East, sometime during the third week, exact time not given. He also spoke of the need to raise funds to send delegates to the convention, etc. MICKEY spoke of the world situation in relation to our task of rebuilding the Party; he pointed out that the leaders are hopeful in view of the events which have taken place in the country around civil rights. The huge response given the Freedom rallies throughout the country has been interpreted as indicating that the people no longer are being misled by the demagogues of our country.

"There was a brief discussion on Mickey's report and then it was voted to wait until after ROSCOE'S report had been given before entering into a discussion.

"ROSCOE'S report on the need to strengthen the fight in defense of the Party, the need for raising funds in order to get material printed; he urged the members to step up their mailing of the various materials already available, the importance of supporting ARCHIE BROWN in his election campaign as an important issue in fighting back and defending the Party.
